Process

1. Join our test series now (any number of tests) by paying online. You will receive an enrollment number.
2. You can **either**:
 - a. Attempt the questions using pdf provided: Download and print the test.
 - b. Write the answers on clean sheets of paper: Mention your name, enrollment number, and phone number on a separate cover sheet.
3. **Enter the enrollment number on top of the test.**
4. Finish the tests properly keeping time.
5. **It is strongly recommended that full-length mock-test (13 and 14) be completed on the same day, one in morning session and one in the evening session with break of no more than 3 hours in between.**
6. Make note of the questions you were able to complete in the allotted time. If a question was partly completed, draw a line at that location.
7. Subsequently go on to complete the remaining questions.
8. We will provide you feedback on all 5 questions (giving you full benefit of test series), however marks will be given based on portion completed in allotted time.
9. Send the completed test by email. Clearly scan and send the completed test to contactus@doorsteptutor.com.
10. Fully evaluated copy along with answer/approach analysis will be send back to your email (within 15 days of receipt).
11. Improvement call: Dr. Manishika Jain will provide personalized feedback and areas of improvement.
