Eligibility Criteria for BITSAT 2023-2024

Get top class preparation for BITSAT right from your home: get questions, notes, tests, video lectures and more [https://www.doorsteptutor.com/Exams/BITSAT/] - for all subjects of BITSAT.

- The candidates need to secure atleast minimum aggregate of 75% marks in Physics, Chemistry and Mathematics (Atleast 60% in each of these three mentioned subjects) in their 12th class examination, which should be done from any well reputed Central or State board or its equivalent. Candidates who are giving the 12th class examination in the year 2013 or passed the 12th class examination in 2012 are qualified to BITSAT 2013.
- If a student has taken more than one attempt in 12th class or something similar, then only his current performance will taken into considered provided this attempt has been for the full component of subjects or courses mentioned.
- Students who have cleared 12th examination in the year 2011 or earlier and those students who are currently studying in BITS in any of its campuses are however not qualified for BITSAT 2013.
