How to Prepare for NIPER JEE

Get unlimited access to the best preparation resource for JEE/Mains : **get questions, notes, tests, video lectures and more-** for all subjects of JEE/Mains.

For the preparation of NIPER JEE you should have to put more effort while preparing for exam.

- Note that, there is no any official syllabus for NIPER JEE.
- For the best preparation for NIPER JEE you should preparation try to go through organic chemistry, particularly IUPAC names, stereo chemistry
- Writing the structures and interpretation of spectra.
- With this don't forget to prepare B. Pharms syllabus.
- For better result your basic concepts related to bio-chemistry and chemistry should be stronger.
- Apart from this you should have to be preparing for basic mathematics, logical reasoning and English concepts.
- You should have to be updated with the new arrival of drugs.
- As for other examination Time Management is must
- Make schedule which will cover all the subjects which we have mentioned above and try to follow it.
- Revision is a most important part of better preparation so also include it in schedule.
- don't be frustrated by see at syllabus try to manage each subject in schedule and it will be not too difficult because you have studied it before:
- As with other exam solve papers then you will get more idea about how to prepare and what to prepare.
- If you are not able to prepare for NIPER JEE by yourself then it better to do in group study or join any reputed classes.
- Group study is good option but in some case you will not get better idea about your preparation that in which section you are week.
- Be relaxed on the day of exam.
- If any section in the exam paper is difficult then don't be frustrated and try to be relaxed because due to this you will spoil your whole paper.

- If you are not sure about any answer then don't attempt due to the negative marking system.
- And In the end sleep well before a day of exam, arrange your assessors like pen, exam receipt etc ... Before the day of exam.
- Reach to exam center 1 hour before then exam time for other formality.
- Try to visit exam center one day before exam if possible so you will be familiar with the atmosphere.
- If your exam center is in the other city then reached there before day of exam so you can be relax on day of exam.
