#### Read the Following Passage Carefully and Answer Question No. 1 – 5

“In the present state of the country, its defence has become all the more important. All the national planning activities should be viewed from this angle. The main base of a countries power is its economic stability. Economists are of the opinion that the economic condition of India is more stable in comparison to many other countries. Yet, we should always be prepared to make sacrifices for its defence and all round progress.”
