Introduction

Manipur University has 72 colleges under its affiliation along with the Manipur Institute of Technology, which is under its supervision.

The colleges strive to impart the highest quality of education to its students and believes in striking a balance between academics and ethics. The Institute instills the virtues of human values in its students so that they, besides being academically brilliant also understand the ethics and tradition of the Indian culture. The goal of the University is to equip the students with such qualities as would make them responsible citizens and contribute effectively to the growth and development of the country.
