Placement Papers: Paper ADP Pattern Interview 12 Oct 2007

Get top class preparation for CBSE/Class-12 right from your home: [get questions, notes, tests, video lectures and more](#)- for all subjects of CBSE/Class-12.

I have attended interview on 12 Oct at Srinidhi Engg College

It has 4 rounds

1. Written test
2. Tech interview
3. Tech interview
4. HR Written test has 4 parts. It is for 70 minutes
 - a. Aptitude consists of 20marks
 - b. Tech all C programs for 20 marks
 - c. 5 puzzles C h e t a n a S
 - d. Essay Writing for 10mins topic is India in Future

For aptitude, time&work, time&distance, profit&loss & 2 puzzles each for 5marks, technical small programs on structures, unions, printf ()

Technical 1: In first tech they asked C, C ++ , SQL

- a. C-structure, union, malloc, any one program
- b. diff btw C & C ++
- c. normalization, sql queries
- d. 5 number series & 2 puzzles

They had taken around 40mins for it

Technical 2: 2nd tech is only for 10mins, 2 puzzles & logic for program them

HR: HR is for 10mins

1. family background
2. educational background
3. role model & why
4. where will u be after 5yrs
5. what r u expecting from a company

Totally 81 members came for interview, 22 crossed written and finally they had taken only 2. I am very happy being in that two members i have attended 6 interviews finally I was placed in a good company.
