Placement Papers: Aricent Pattern Interview 2007

Doorsteptutor material for competitive exams is prepared by world's top subject experts: **get questions, notes, tests, video lectures and more-** for all subjects of your exam.

National Institute of Technology, Jamshedpur. Today I m going to share with u mine experience of Aricent campus placement.

Written Test: There is no negative marking_____ u will get every section separately. Mean u will get first one first n before completion of its time u will be given next one ... n u will be asked to stop first one a do next one ... One thing i want to tell. This process is really pressure creating ... n u will have to be calm n cool

Section 1: Verbal ability

practice articals n preposition_____ don't take it easy.

u may think that u have screwed up ur paper_____ but don't give up ... Bcoz every one have done the same.

Section 2: Analitical ability

don't mess up with a particular problem ... u can't solve all. Just chose easy one and do it because of time limit u can't do all_____so why not to attept easy one. Practice IBM or Accenture paper.

Section 3: Mental ability

It was damn easy ... u have to score a good marks in it ... If want an edge over other_____practice more through ... Any marittrack paper as of Accenture or IBM.

Section 4: Operating system, data structure and algorithm

Frankly speaking I m very good in data structure. But it is not worth while to attempt it first ... As it has long cords and u have to find o/p

or error_____attempt operating system first and then algo ...

If u will go for data structure first u will certainly get screwed_____have a good concept of operating system ...

Section 5: C or C ++ (choice is urs)

I have chosen C n kanitkar book was very help to me ... If u want to qualify. u have to be very good in this section.

question were on increment operator, decrement operator, pointer, variable passing to function, array, enum, structure, file. Question was very basic ... Go through objective

book of kanitkar. u can't do without it. u need a practice.

Section 6: Comprehension

u will be given one comprehension most probably on some technical issue. I was given on SSO.

it will be followed by 10 question.

In my coll question n comprehension was given together but question may not be given with comprehension.

first of u will have to read the comprehension n then u will have to answer that question without looking back to ur passage.

Section 7: E-mail writing:

in 5 min u have to read question as well write the mail on certain condition. Mine condition was ...

there is a cloth show room_____ which pay back amount with in the 3 days of purchase ... a lady asked to refund the amount after one week ...

u r manager of showroom and u have to write apology mail to her.
