INFOSYS PAPER ON 5th DECEMBER AT HYDERABAD

Hi Frnds_____ today i attended infosys off campus in hyd ... Frnds eventhough i didnt clear the written

round itseld but

submitting the test paper to help some one who are really hunting for job_____

I applied for infosys in the month of may, 24th and got hall ticket on Nov 19th_____My test date is Dec 5th_____So, who all

applied for infosys they will get hall tickets for sure ... As they will send hall tic 2 weeks before:

there is enough time to

prepare for the test_____

As usual the pattern is same with Reasoning (40min) and Verbal (30 min) ...

As my test is online conducted by MERIT TRAC SERVICES ... The test started with questions all randomly_____

first question is figure series_____ (Find the missing figure in the series. Direct question from R. S. Agarwal Vrbl &NonVrbl book page no. 111, question 38: Page 107 example one)

Like this 5 questions are followd ... Very easy_____No need of any preparation ...

2nd set of questions are on puzzle test (direct MODEL question from R. S. Agarwal Vrbl &NonVrbl book page 316 problem 29 to 33) ... This also very easy_____

3rd set is syllogisms_____5 questions are given each with Only two statements ... These also came directly ...

Next set is data interpretation _____this is very tough ... Time consuming ... Some circular graph is given. It consists

of inner circle and outer circle_____ inner circle is Times of india and outer cirle is india

times_____ expenditure of times of

ind is 300 crores and for india times is 200 crores_____the expenditure is on items like adds

(18%) , utilities (25%) , and some

data_____ the questions are so confusing that i could understand once ... i was really shocked ...

but done all of them

first question is like this (1) What is the expenditure spent on favourite adds by the times groups?

followed by 5 options.

Ans: $(18 * \frac{300}{100}) + (24 * \frac{200}{100})$

All are like this only_____

Next set is some puzzle type question_____some computer chips problem

Its submitted by some one in this site only_____easy one ...

I'm sure that i will get $\frac{28}{30}$ in this paper_____

But i didnt able to kkeeepppp even a single option in verbal paper_____

Its very difficult for me_____

My advise is no need to buy wren and martin_____just study some CAT materials for correction of sentences, fill in

the blanks with suitable words (ALL ARE HIGH_____ LEVEL ENGLISH ONLY) ...

Replace the underline word with suitable options_____and two lengthy passages on

hominidines and like this

some other passage_____

Thats all frnds _____ my batch is 3rd batch to take written exam ... 25 per batch ... 6 of them cleared written_____

As i completed reasoning paper i felt very happy but as i saw the english paper i i i i i
_____No words to express

it_____

thats all the paper is_____

U know frnds this was my 26th trail_____ and this infosys is my second attempt ... I'm 2007 passout only_____I

attended ADP, IBM, WIPRO (twice) , SONATA (twice) , SATYAM (twice) , CONVERGIES, VIRTUSA, U. S.

TECHNOLOGY RESOURCES, GENPACT SOFTWARES, MEDHA SERVO DRIVES, MAVERIC And

many_____I'm hunting for job since from my final year June 19th, 2006 ... God knows

where my destiny is and

where my journey ends_____Best of luck to all my frnds and others who are going to attend off campus in

india_____

To my knowledge_____Next shedule for off campus in hyd is Dec16th, St. Francis college and Dec 19th
in merit

trac_____ i think so ...

Hal tickets will be sent to candidates as soon as shedule progrm in one place is
completed_____

Bye.
