Hi friends. The Tcs paper has following rounds

Tcs executives said that the pattern has been changed from this summer (introduction of technical round in written) .

But this didn't happen. So don't worry. Ours is the first college to be examined by Tcs in this summer. Here is my

experience\_\_\_\_\_

Written:

verbal-previous papers (I kept c as my option for all verbal questions)

aptitude-previous papers (not even values r changed)

reasoning-GRE Barron's 12<sup>th</sup> edition (model papers analytical sections only)

(no technical questions, no-ve marking, no section cut offs) If u are strong in aptitude & reasoning, then no need to

read verbal section.
