I am ranjith from aurora PG college Hai i have attended interview on 12nov at srinidhi engg college

it has 4 rounds

- 1 written test
- 2 tech interview
- 3 tech interview
- 4 hr

written test has 4 parts it is for 70mins

- 1 aptitude consists of 20marks
- 2 tech all c programs for 20 marks
- 3 5puzzles
- 4 essaywriting for 10mins topic is india in future

for aptitude,time&work,time&distance,profit&loss&2 puzzles each for 5marks tech small programs structures,unions,printf() i think they are not considered essay as important in

first tech they asked c,c++,sql c-structure,union,malloc,any one program diff btw c&c++ normalization,sql queries 5 number series&2 puzzles they had taken around 40mins for it

2nd tech is only for 10mins

2 puzzles&logic for programe them if we cross 2 tech rounds u r almost

in hr is for 10mins

family background educational background rolemodel&why where will u after 5yrs what r u expecting from a company

totally 81 members are came for interview,22 crossed written and finally they had taken only 2 iam very happy being in that two members

i hav attended 6 interviews finally i was placed in a good company

Bye,
All the best,
Ranjith
